Summary

Creative UI/UX Designer with a strong foundation in software development and problem-solving. Skilled in applying design thinking principles to create intuitive, user-centered interfaces while leveraging technical knowledge of Python, networking, and system development. Seeking opportunities to design innovative and user-friendly digital products.

Technical Skills

- **Tools Known:** Figma, Sketch
- **UI Design:** User Flow, Wireframing, Prototyping, Mockups
- **Programming Languages:** Python, C, Java, Rust
- **Database Management:** SQL

Experience

- | | |
|--|--|
| Mitsogo Inc
<i>Software Developer</i> | Infopark, Kochi
Nov 2025 - March 2026 |
| <ul style="list-style-type: none">• Contributed to software development and feature implementation by writing clean, efficient code and collaborating with cross-functional teams. Assisted in improving system functionality, debugging issues, and supporting application performance and usability. | |
| Acsia Technologies
<i>Intern</i> | Infopark, Kochi
May 2023 |
| <ul style="list-style-type: none">• Employed Rust programming language for developing an OCPP server, facilitating seamless communication between clients and servers within an electric vehicle charging station environment. | |

Projects

- | | |
|---|-----------------------|
| DigiYatra App Redesign | <i>Figma</i> |
| <ul style="list-style-type: none">• Redesigned the DigiYatra mobile app to improve user experience and simplify airport check-in workflows through user-centered UI design, wireframing, and interactive prototyping.• Developed a modern UI system with consistent typography, color palette, and components to improve visual clarity and overall user satisfaction. | |
| Adaptive Traffic Management System | <i>Python, OpenCV</i> |
| <ul style="list-style-type: none">• Developed a system using real-time camera feeds and image processing techniques to optimize traffic signal timings at intersections.• Integrated Raspberry Pi and its camera to manage and evaluate traffic conditions effectively. | |

Education

- | | |
|---|--|
| SCMS School of Engineering and Technology
B. Tech in Computer Science | Ernakulam, Kerala
Nov 2021 - Apr 2025 |
| S N V Sanskrit HSS
Computer Science | North Paravur, Kerala
2019 - 2021 |

Achievements & Roles

- **IEEE Member:** Active member since November 2021.
- **Ascendio 6.0:** Achieved first place in the IEEE organization's coding competition at SCMS.
- **Excellence Award:** Received recognition for outstanding academic performance at college.
